COUNTY COMMUNITY COLLEGE

### Become the Person You Want to Be

SUNY Suffolk is the ideal place for you to pursue your academic and career goals. We provide affordable, quality higher education, delivered in small class settings, led by faculty with credentials from many of the country's most acclaimed institutions. Our exceptional faculty deliver classes face-to-face and online and are experts at helping prepare students for the future.

**An Exceptional Education** From enhancing the probability of success for students who need extra support, to creating an academically challenging environment

for the hundreds of students in our Honors Program, to working closely with area businesses to meet their current and projected workforce demands, Suffolk is dedicated to meeting the needs of our students and valued communities.

**A Complete College Experience** As the largest community college in the State University of New York (SUNY) system, you can count on Suffolk for a full collegiate experience. With recognized athletic programs, close to 100 student clubs, organizations and support services, you will have countless opportunities to grow both academically and personally.

**Transferability** SUNY Suffolk prepares students for transfer to four-year colleges and universities. We are proud to say that our students routinely transition to a variety of baccalaureate programs at public and private colleges and universities on Long Island, around New York State, and throughout the nation. In fact, our graduates often save tens of thousands of dollars while going on to excel at some of the nation's most recognized institutions.

**Financial Aid** We are committed to providing our students with assistance to explore all available funding options. Each year, Suffolk awards more than \$45 million in federal and

state financial aid to more than 14,000 students. **Scholarships** Suffolk also offers a broad range of scholarships for new, continuing and graduating students. In fact, the Suffolk Community College Foundation awards hundreds of thousands of dollars in scholarships each year.

**Jobs** As technology and business change, you can count on SUNY Suffolk to ensure that students are prepared for the jobs of the future. The college offers today's most sought-after programs and works closely with regional industry to ensure that a pipeline of skilled and credentialed students meet projected workforce demand.
