

2025-2026 Alternative Loan Acknowledgement Form

The Financial Aid Office has received your application for an alternative student loan. Before this loan can be certified, you must review the following information and requirements. Once completed you can email the form to your campus Financial Aid Office.

NOTICES TO APPLICANT:

- Free or lower-cost Title IV federal, state, or school student financial aid may be available in place of, or in addition to, a private education loan. To apply for Title IV federal grants, loans, and work-study, submit a Free Application for Federal Student Aid (FAFSA) available at studentaid.gov. Contact your campus Financial Aid Office for any help in completing the FAFSA.
- A private education loan may reduce eligibility for free or lower-cost federal, state, or school student financial aid.
- Students cannot be awarded over their Cost of Attendance (COA). If you requested a loan in an amount greater than your COA, your alternative loan will be certified for the maximum available to you based on your enrollment level and other aid applied.
