You must start your exam at the stated start time. **Please note: start and end times are in Central Time.** We recommend you start this process 30 minutes prior to the start of your TEAS exam. If you do not start the exam within 30 minutes of the official start time, you will not be able to test. Exams will not be refunded or rescheduled due to late arrival.

- Make sure you are using a fully charged or plugged-in laptop or desktop computer with a webcam and microphone.
- Install Google Chrome and the Google Chrome Extension on your device. You **will not** be able to take the remote version of the ATI TEAS Exam with any other browser.
- Have a government-issued photo ID card available.
- Find a well-lit space and be ready for a room scan prior to the assessment.
- Position your webcam from your shoulders up so that your face is fully visible.
- Prepare one piece of blank paper to be used during the exam. Please destroy the paper upon completion.
- Ensure that your internet speed is at least 0.5 - 1 Mbps. You can test your internet speed using www.speedtest.net.

Non-compliance with the above may invalidate your test attempt.

STEP 6 – TEAS TEST DAY Perform your system diagnostic tests

It is essential that you perform the following steps completely, and in the order presented.

Log in to your ATI student account and then click **MY ATI > TEST**.

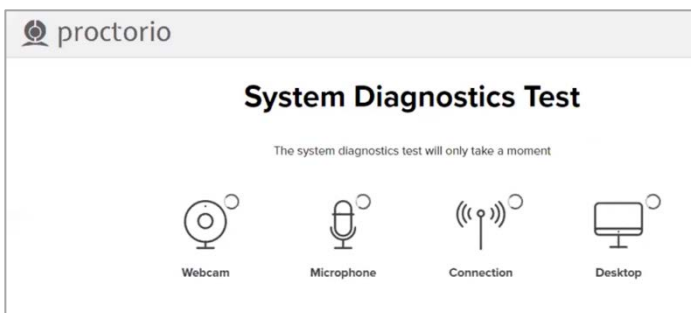

Locate your TEAS Assessment card and click **Begin**.

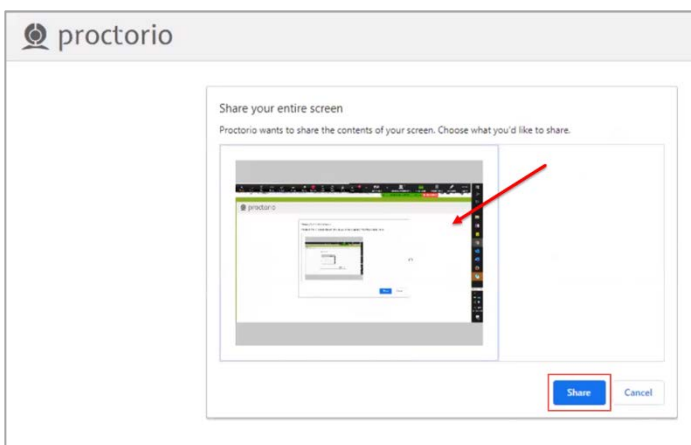

The **Before you Begin** page provides information about your remote proctoring experience, including instructions, restrictions, and data collected during the assessment. Be sure to read all the instructions on this page.

When you are ready to proceed, scroll to the bottom of the page and click **Start exam pre-checks**.

➔ **IMPORTANT:** At the bottom of the page, you may see a warning regarding RAM or your CPU. We recommend closing all other programs and/or windows and plugging in your computer. You should be able to proceed to the exam pre-checks regardless of these warnings. However, if you choose to proceed after these warnings, test experience may not be optimal. Make sure you meet the system requirements before test day!

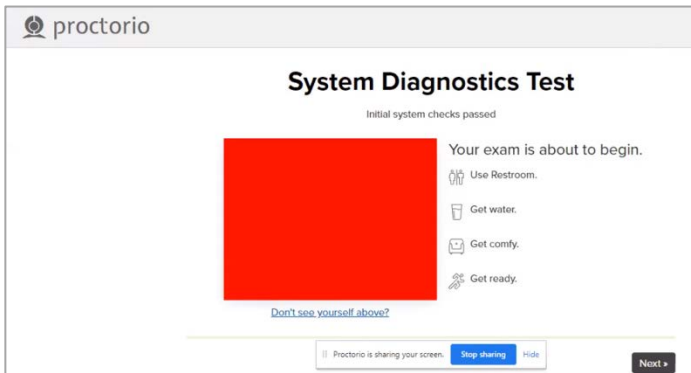

On the **System Diagnostics Test** screen, Proctorio checks your camera, microphone, internet, and computer. After the system has completed its checks, click **Next** at the bottom of the screen.

This screen is prompting you to allow screenshare. There are two steps to sharing your screen.

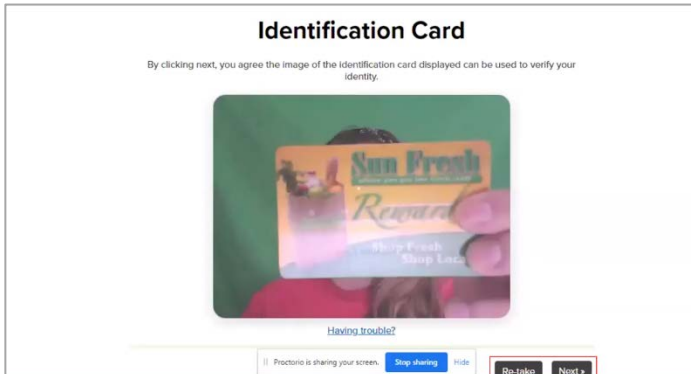

➔ **IMPORTANT:** First, you must click the image of the screen to select it. This turns the **Share** button blue.

Click **Share**.

This message displays when the system checks are complete.

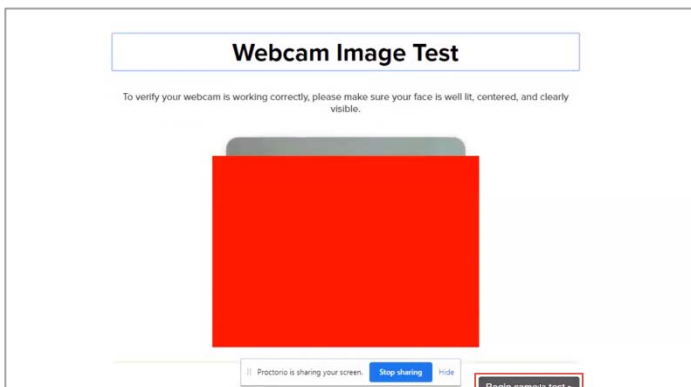

Click **Next**.

You will then be asked to show your photo ID to the camera. This scan is used to validate your identity.

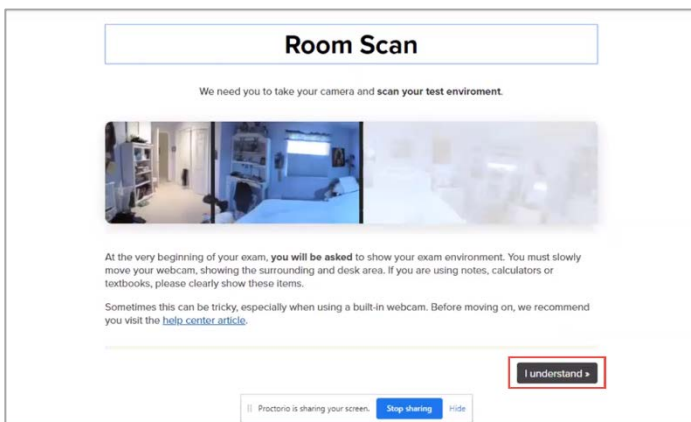

Note: If the system has trouble capturing the image, click **Having trouble** to scan the image manually.

Click **Next** to proceed.

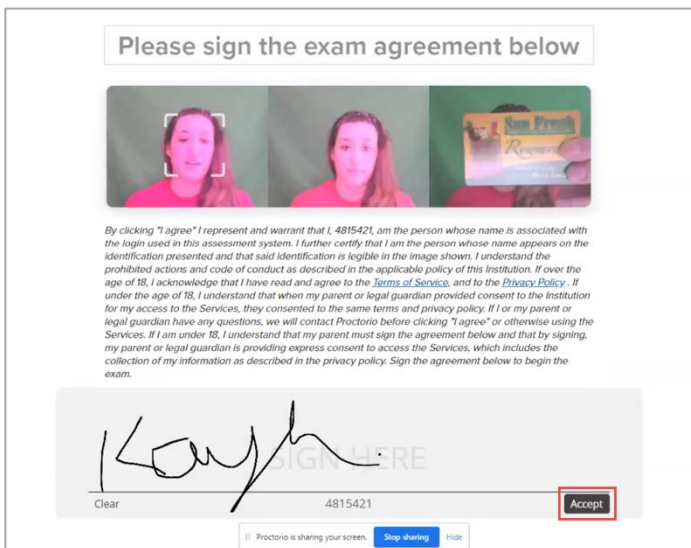

The site will conduct a webcam image test. The system will take five photos to verify that your webcam is working correctly. Click **Begin camera test**.

Important: Make sure that you are in a well-lit space with minimal glare on the camera. If you are not in a well-lit room, your camera might not be recognized, and you will not be able to proceed.

Next, you will be asked to show your exam environment by using your device's camera to scan the room in which you will be testing.

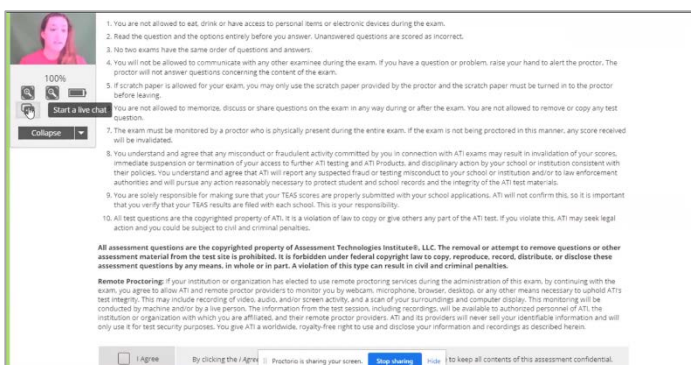

Click **I understand** to begin the room scan.

Finally, you'll be asked to sign the exam agreement.
Click **Accept** to proceed to your exam instructions.

STEP 7 – Take the ATI TEAS Assessment

Read all the information and instructions for the exam and then select **I agree** at the bottom of the page.

After your proctor approves you, the **Start/Resume** button appears at the bottom of the page. Click the **Start/Resume** button to launch your exam. (The Start/Resume button will not be available until the proctor approves you).

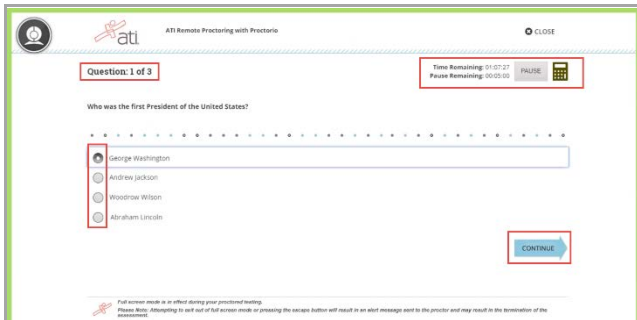

Note: You might have to move the screen sharing banner at the bottom of the screen to see the **Start/Resume** button.

The Quiz Tools window on the left is the default display. If you choose to collapse the window, you will see the tool icons shown on the right.

- 1 Webcam feed
- 2 Zoom level
- 3 Battery status
- 4 Start a live chat (with Proctorio personnel)
- 5 Collapse/Expand quiz tools

Note that if you experience any issues with the system, you can begin a live chat with a Proctorio employee. This will not connect you with your instructor.

For the ATI TEAS assessment, all questions are multiple choice. In the upper-right corner, you will see your time remaining and the online calculator. Click the **Calculator** icon to access it. 

For the multiple-choice questions:

- Radio buttons are placed to the left of each of your answer options.
- An answer is only submitted when you click **CONTINUE**.
- You can change your answer any number of times and to any option before you click **CONTINUE**.

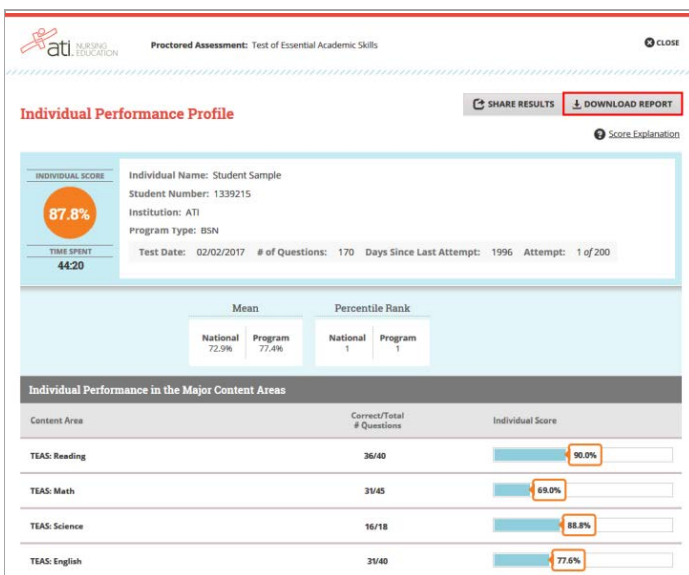

IMPORTANT: If you attempt to exit from full-screen mode or refresh your screen, or if you press the **Escape** button, an alert message will be sent to your proctor, potentially resulting in the termination of your assessment.

When you reach the last question of your assessment, the **Assessment Completed** window displays.

Click **Finalize and View Results** to complete your assessment.

When you complete the assessment, your Proctorio session will end, and your results will be available.

When you complete an ATI TEAS Assessment, your Individual Performance Profile (IPP) launches in a new window. The IPP summarizes the results from your assessment.

Click **DOWNLOAD REPORT** to view your results in a user-friendly PDF format that can be saved, printed, or e-mailed.

Click **Score Explanation** to help you understand the information in the IPP and how your scores were calculated.

Your IPP also provides your scores in the individual content areas, showing the number of questions you answered correctly and your scores as percentages.
