(t) Employees of the Contractor while on service call shall carry identification badges or cards and shall be instructed to submit same to scrutiny upon request by the Office of Public Safety or supervisory personnel of the College.
2. Bids on equipment must be on standard new equipment, latest model, except as otherwise specifically stated in proposal or detailed specification. Where any part or nominal appurtenances of equipment is not described, it shall be understood that all equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
3. Bids on materials and supplies must be for new items except as otherwise specifically stated in bid or detailed specification.

4. Bidder declares that the bid is made without any connection with any other Bidder submitting a bid for the same items, and is in all respects fair and without collusion or fraud.
5. **INDEPENDENT CONTRACTOR** The Contractor is an independent contractor of the College or County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a College or County employee, (ii) commit the College or County to any obligation, or (iii) hold itself, himself, or herself out as a College or County employee or Person with the authority to commit the College or County to any obligation. As used in any Agreement awarded as a result of this bid the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).
6. **BIDDERS' EXCEPTIONS** Bidders may take exception to paragraphs of this bid under a separate cover letter to be attached to this bid, indicating specific bid page, paragraph, and the exception(s). The Director will consider whether or not to accept a Bidder's exception(s). In any event, the decision of the Director will be final.
7. **DETAILED SPECIFICATIONS** Proposals submitted hereunder shall be in accordance with detailed specifications set forth on bid pages or as attached and made part hereof. Such specifications are representative of the type of item(s) required. The Director reserves the right to accept item(s) with different specifications or methodologies if, in his opinion, the item(s) offered can satisfy the needs of the Using Department(s). Furthermore, any alternate item(s) offered can be rejected if they fail to meet the specifications of the item(s) specified in this bid.
8. **PRICES** The provisions of the New York State Fair Trade Law (Feld-Crawford Act) and the federal price discrimination law (Robinson-Patman Act) do not apply to purchases made by the College.
9. **REDUCTION IN PRICES** If an award is made, the Contractor agrees, should prices be reduced to the general trade during the term of the agreement, the College shall receive the benefit of such reduction immediately upon effect. It shall be incumbent upon the Contractor to notify the College of such price reductions.
10. **NEW YORK STATE PRICES** Bidders must represent and warrant that if they are under contract with New York State for items specified herein that the price, per unit, quoted to the College, therefore, is not higher than the price, per unit, quoted to New York State for like quantities.
11. **APPROXIMATE QUANTITIES** The estimated usage quantities or estimated annual dollar value, when indicated, are merely estimates based on experience or anticipated usage and are given for information purposes only. The College will NOT be compelled to order any amount of any respective item. Agreements, however, shall be for the quantities actually ordered by the College during the period specified.
12. **SPECIFICATIONS** If Bidder is offering an "Equal" item, Bidder is to submit complete specifications and illustrations of products offered with the bid. Acceptance of a bid and designation of a Manufacturer's catalog description, brand name or number in any Agreement resulting therefrom shall not be construed as qualification of the specifications of this bid or relief there from except as specifically stated in the Agreement.

13. **EQUIVALENT BIDS** Bidders may offer equipment of the same capability, but of different manufacture and model than that specified in this bid. The use of the name of a Manufacturer, brand, make or catalog designation in specifying items described herein does not restrict Bidders from offering equivalent bids. Such a designation is used to indicate the character, quality and performance equivalence desired. However, acceptance of an equivalent product will be strictly at the discretion of the College. Furthermore, proof and/or demonstration of equivalence, compatibility and performance shall be incumbent upon the Bidder.
14. **PRODUCT IDENTIFICATION** If a product is identified by a BRAND NAME, a substitute of equal quality, construction, finish, composition, size, workmanship and performance characteristics may be acceptable. In submitting a bid, each Bidder warrants that the substitute product being offered is an equal. Bid Sheets shall be so noted with the Manufacturer's name and brand of the product offered as an equal. If, as a result of an award, a delivery is made of a brand or product represented as an equal which is subsequently deemed to be unacceptable, the Vendor shall be required, at his expense, to pick up the rejected item and replace it with brand(s) listed in the bid or an acceptable equal which will have the approval of the Director.
15. **PROTECTION FROM CLAIM AGAINST "OR EQUAL"** In the event of any claim by any unsuccessful Bidder concerning or relating to the issue of "equal or better" or "or equal", the successful Bidder agrees, at his own cost and expense, to defend such claim or claims and agrees to hold the College free and harmless from any and all claims for loss or damage arising out of this transaction for any reason whatsoever.
16. **ALTERNATE BIDS** If the Bidder wishes to offer an alternate to the specified item(s), s/he may do so, provided that s/he clearly indicates that the item(s) offered is an alternate and does not represent the alternate to be an equivalent, and further provided he accompany the alternate offer with full explanation and specification. Consideration of the alternate shall be at the sole discretion of the Director.
17. **SHIPPING CHARGES** All bids must be F.O.B. Destination and include delivery within doors unless otherwise specified. The College acknowledges that if an emergency shipment (overnight, Saturday Delivery, etc.) is required and requested by the Using Department, such shipping charges would be paid by the Using Department on a "Prepay Shipping Charges and Add To Claim" basis.
18. **SURETY** In the event that an award is made hereunder, the Director reserves the right to require Successful Bidder to post, within one week, security for faithful performance, with the understanding that whole or any part thereof may be used by the College/County to rectify any deficiency that may arise from any default on the part of the Successful Bidder. Such security must meet all the requirements of the College General Counsel and must be approved by the College General Counsel.
19. **SAMPLES** Samples, when required, must be submitted strictly in accordance with instructions; otherwise bid may not be considered. If samples are requested subsequent to bid opening, they shall be delivered within five (5) days of request for bid to have consideration. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating if the Bidder desires their return; also specifying the address to which they are to be returned, provided they have not been used or made obsolete by tests. Award samples may be held for comparison with deliveries. Samples will be returned at the Bidder's risk and expense.

20. **AWARD** (a) The College reserves the right before making an award to make investigations as to whether or not the items, qualifications or facilities offered by the Bidder meet the requirements set forth herein and are ample and sufficient to insure the proper performance in the event of an award. The Bidder must be prepared, if requested by the College, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery, trained personnel and capacity of the manufacturer for the production and distribution of the material on which he is bidding. Upon request of the College, the Successful Bidder shall file certification from the manufacturer relative to authorization, delivery, service and guarantees. If it is found that the conditions of the bids are not complied with or that articles or equipment purposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing or facilities are not satisfactory, the College may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the College to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid. (b) Awards will be made to the lowest responsible Bidder or on the basis of best value, in accordance with the College's Procurement Policy. Cash discounts will not be a factor in determining awards, except in tie bids. Consideration will be given to the reliability of the Bidder, the quantities of the materials, equipment or supplies to be furnished, their conformity with the specifications, the purpose for which required and the terms of delivery. (c) The College reserves the right to reject any and all bids in whole or in part and to waive technical defects, irregularities and omissions if, in its judgment, the best interest of the College will be served. (d) Unless otherwise indicated herein, the College reserves the right to make award by items, by classes, by groups of items, or as a whole, or, in appropriate circumstances, to award to multiple bidders.
21. **DELIVERIES** Upon failure of the Vendor to deliver within the time specified, or within reasonable time as interpreted by the College, or failure to make replacement of rejected articles when so requested immediately or as directed by the College, the College may purchase from other sources to take the place of the item rejected or not delivered. The College reserves the right to authorize immediate purchase from other sources against rejections on any order when necessary. On all such purchases the Vendor agrees to promptly reimburse the College for excess cost occasioned by such purchases. Should the cost be less, the Vendor shall have no claim to the difference. Such purchases will be deducted from order quantity.
22. An order may be canceled at the Vendor's expense upon nonperformance. Failure of the Vendor to furnish additional surety within ten (10) days from date of request shall be sufficient cause for the cancellation of the order.
23. When in the determination of the College, the articles or equipment delivered fail to meet College specifications or, the Vendor consistently fails to deliver as ordered, the College reserves the right to cancel the order and purchase the balance from other sources at Vendor's expense.
24. Delivery must be made as ordered and in accordance with the bid. If delivery instructions do not appear on order, it will be interpreted to mean prompt delivery. The decision of the director as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of order shall rest with the Vendor.
25. The College will not schedule any deliveries for Saturdays, Sundays or legal holidays, except commodities required for daily consumption or where the delivery is an emergency, a replacement, or is overdue, in which event the convenience of the College will govern.

26. Supplies shall be securely and properly packed for shipment, according to accepted commercial practice, without extra charge for packing cases, reels, bailing or sacks. The containers remain the property of the College unless definitely stated otherwise in the bid.
27. The Vendor shall be responsible for delivery of supplies in good condition at point of destination. The Vendor shall file all claims with carrier for breakage, imperfections and other losses, which will be deducted from invoices. The College will note for the benefit of the Vendor when packages are not received in good condition.
28. All supplies which are customarily labeled or identified must have securely affixed thereto the original un-mutilated label or marking of the manufacturer.
29. **WARRANTY** (a) Generally. The successful Bidder warrants the equipment furnished and all associated equipment against any defects in design, workmanship and materials against failure to operate satisfactorily for one (1) year from the date of acceptance by the College, other than defects or failure shown by the Vendor that have arisen solely from accident or abuse occurring after delivery to the College, and agrees to replace any parts, which, in the opinion of the user, shall fail from the above reasons. (b) Different Warranty Period. If a company policy or trade practice requires a different warranty period, the Bidder may so state without fear of disqualification. However, the Bidder is cautioned that the length of warranty may, in some cases, be a deciding factor in making an award. (c) OSHA. Equipment furnished hereunder shall meet the standards set forth in the Occupational Safety and Health Act of 1979.
30. **REPLACEMENT PARTS** If the requirements specified herein represent, for the most part, replacement and/or repair components to existing and presently owned equipment, such components must match and inter-member without modification to the equipment and systems indicated.

SECTION II
BID REQUIREMENTS

1. Intent:

Suffolk County Community College requires an experienced qualified elevator inspection firm to perform secondary inspection witnessing and testing services on the College's elevators at its three campuses, as defined in the Scope of Work set forth herein.

2. Award:

Award, if any, will be made to the lowest responsible Bidder, who, in the opinion of the College, meets the specifications and qualifications stated herein, and submits the lowest Total Bid Price amount. The award will be in the form of a contract which, when issued and executed by both parties, will enable the successful Bidder to perform the services specified herein for the period indicated and at the prices bid upon receipt of a signed Purchase Order.

The Contractor that holds, or is identified for award of a contract for these services will be ineligible for contract award to perform elevator maintenance, repair, and inspection services for the College, should such a solicitation be issued.

3. Term of Agreement:

Period covered shall be for one (1) year from the date of an award with four (4) one-year renewal options to be exercised at the College's sole and absolute discretion. The terms of each option shall be as mutually agreed upon by both parties. In addition, an annual review and evaluation of the Contractor's performance will be performed by the College. This review and evaluation will be used to prepare documentation that will be the basis in making the determination for contract extension. The vendor's response times to College needs will be weighed heavily during the evaluation process.

4. Prices:

Prices shall remain firm for the first year of the contract and no upward escalation will be permitted. Thereafter, increases in labor and/or material costs may be considered, provided they are based on certified labor contracts, uncontrollable material costs which can be verified in national publications or other increases auditable by the College. The burden of proof for such increases shall be upon the Contractor and shall be formally directed to the Director. The decision as to whether or not such increases will be granted shall be made by the Vice President of Business and Financial Affairs and shall be final. In the event an increase is not granted when requested, the Contractor may elect to continue at the bid prices or give written notice of termination, upon receipt of which the Agreement be rebid.

5. Payment Terms:

For each month in which Contractor performs work under the contract, Contractor shall prepare and present a monthly invoice to Suffolk County Community College, Accounts Payable Department attention Salvatore Arnold (NFL Building, 533 College Road, Selden, NY 11784). Payment will be made within thirty (30) days after approval by the College. Invoice must reference the order number and be itemized in detail so that anyone reading same may readily understand the kind, quantity, quality and prices. Cash discount terms, where applicable, must be indicated on the invoice. By submitting an invoice, Contractor certifies that all items or services were delivered or rendered as set forth on the invoice; that the prices charged are in accordance with the referenced purchase order, delivery order

or contract; that the claim is just, true and correct; that the balance stated herein is actually due and owing and has not been previously claimed; that no taxes from which the County/College is exempt are included. Incomplete invoices will be returned to the Contractor unpaid.

6. Deficient Service Procedure:

The Contractor agrees that in the event any of the services provided for under the terms of this contract should in any way be omitted or unsatisfactorily performed by the Contractor and/or his employees, the College shall so notify the Contractor verbally and follow with a written notification of the deficient services for immediate correction. In the event the Contractor does not correct the deficient services after receipt of written notification, the College will deduct a percentage based on the work not performed or performed unsatisfactorily from the Contractor's claim for the period covered. If the Contractor continues to omit or unsatisfactorily perform the required services, the College will arrange for the work to be done by another Contractor and the cost of such work shall be deducted from any monies due or that may become due to the Contractor.

7. Disclaimer:

The contract executed as a result of this bid will establish terms and conditions pursuant to which certain materials and/or services are to be supplied or performed, from time to time, for a specified period upon issuance by the College of a Purchase Order. The Model Agreement is attached hereto in Section VI and is made part hereof of the Solicitation Documents. The contract is non-exclusive and the College is not bound to purchase, and no materials are to be delivered or services performed without a Purchase Order. The College shall be under no obligation whatsoever to issue such Purchase Orders.

8. E-Procurement:

The College has implemented an e-Procurement solution, named SharkMart, with the objective of streamlining processes and gaining operational efficiencies.

Bidders identified for a contract award will be required to register in SharkMart. The Procurement office will send an email to the Bidder's contact that will include a SharkMart link to start the registration process.
